

MANIKANDAN L

Web Developer

📍 13,ManjameduSt. ,K.R.Puram, Karur 📧 manikandanlogu24@gmail.com 🌐 <https://github.com/Mani-tamizh>

PROFILE INFO

Enthusiastic and driven web developer with intermediate expertise in HTML5, CSS, and JavaScript, and hands-on experience with React.js and React Native for building modern, responsive web and mobile applications. Strong foundation in responsive web design principles, and experienced in leveraging Bootstrap and jQuery to enhance user interfaces. Familiar with Node.js and Express.js for back-end development, with a commitment to continuous learning. Adept at problem-solving and adapting quickly to new technologies. Seeking opportunities to apply my skills in a collaborative environment and contribute to innovative, user-centered projects.

EXPERIENCE

2023 - 2024 AUG

Object-Ways I 29 B, K.P. Nagar, Karur, TN 639002.

Data Annotator

- Annotated 2D/3D LiDAR datasets for various machine learning and AI projects, ensuring precision and quality.
- Labeled objects in LiDAR point cloud data, such as vehicles, pedestrians, and other environmental structures, using specialized tools (e.g., Labelbox, CVAT, or proprietary annotation software).
- Collaborated with the QA team to review and refine labeled datasets for AI model training.
- Managed and processed large datasets while maintaining deadlines and project targets.

2024 - PRESENT

Payriva Tech., I 123 Anywhere St., Any City

Software Developer - Intern

- Develop and execute comprehensive marketing strategies and campaigns that align with the company's goals and objectives.
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Create and manage the marketing budget, ensuring efficient allocation of resources and optimizing ROI.
- Oversee market research to identify emerging trends, customer needs, and competitor strategies.

2020 - 2023 | Bharathidasan University

Bachelor of Computer Science

CGPA: 8.1

2019 | Govt. Hr. Sec. School

HSC

Percentage : 66.1%

EXPERTISE

- HTML & CSS
- Javascript
- Bootstrap
- JQuery
- React Js
- React Native
- Wordpress

LANGUAGES

- Tamil
- English

TITLE: Snow Shop

LANGUAGE: HTML & CSS

- Initiated the development of Zay Shop, a static e-commerce webpage, as an introductory project in web development. Using HTML and CSS, the goal was to create a visually appealing online store experience, without incorporating responsive design, while leveraging hover effects to enhance user engagement and product presentation.

TITLE: Freelancer

LANGUAGE: HTML & CSS

- Developed a static freelancer webpage using HTML and CSS, focusing on creating an aesthetically pleasing design without implementing responsive features. The webpage serves as a showcase for professional skills, services, and portfolio items.

TITLE: Cruip responsive webpage

LANGUAGE: HTML & CSS

- Designed and developed a fully responsive landing page using HTML and CSS. The website features a clean and structured layout, optimized for seamless user experience across devices. Implemented visually appealing UI/UX elements, well-organized content sections, and effective call-to-action areas for better engagement.

TITLE: Saara Global

LANGUAGE: HTML & CSS

- Designed and developed a textile-based product showcase website using HTML and CSS, replicating an existing design with pixel-perfect accuracy. Focused on creating a visually appealing and responsive layout that maintains brand identity and ensures seamless navigation. Implemented clean styling, structured content presentation, and cross-device compatibility to enhance user experience.

TITLE: Gamics

LANGUAGE: HTML & CSS & JS

- Developed a gaming-themed website using HTML, CSS, and JavaScript, replicating a modern and dynamic UI. Designed an engaging layout with responsive design principles, ensuring seamless user experience across devices. Focused on game-centric aesthetics, structured content presentation, and smooth navigation to enhance user interaction. Implemented visually appealing sections with precise styling to match industry standards.
